## Volunteer Labour Contributions

---

Volunteer labour is calculated at \$10.00/ hour

Volunteer labour can be claimed to a maximum of \$500.00 total per PROJECT (not for each person working on a given project)

Volunteer labour for Community-Based projects can be claimed to a maximum of \$1500.00 total per PROJECT

Paid labour must have accompanying receipts

Do not put paid labour on this page. Instead, include receipts or cancelled cheques.

Name and address of worker	number of hours worked	dollar value of work	dates worked	signature of worker

Remember that receipts must accompany your final report.

Receipts must total at least double what your awarded grant is, in order to get your full grant.

Donated goods and goods-in-kind must also have a receipt showing the value of those goods.
